A GROWING NEWSPAPER IN A GROWING COMMUNITY

Volume 57, Number 33 — CAMPBELL, SANTA CLARA COUNTY, CALIFORNIA — Friday, June 8, 1951

EDITORIAL

SHOULD WE INCORPORATE?

Aroused by the dangerous advances of Santa Clara and San Jose on the annexation front, Campbell residents are seeking some method of protecting this community from the threat of annexation to one or the other of these encroaching cities.

Campbell finds itself in the position of the innocent bystander, bound to be hurt unless it takes immediate action. To the many persons who have contacted this office by phone and in person in response to recent editorials, the action spells home rule through incorporation.

Thanks to its present unincorporated status, this community lacks a nominal leader, an executive to take over organization and coordination of a program for home rule, but, at request of those who are seeking self-government, L. W. Harmon, local business leader and insurance broker, has agreed to serve as temporary coordinator.

Harmon has issued an invitation to all who wish to insure this community's independent status to list their names and addresses with him, at his office, 150 E. Campbell Avenue. Not only those who are for incorporation, but those who oppose such a move are invited to express their views, for Harmon has expressed a sincere desire to determine the wishes of this community through exchange of ideas on both sides.

One of the initial inquiries put to Harmon yesterday had to do with proposed assessment of farm land in the affected area of incorporation. Others who have been studying the local situation, have proposed that ranch or orchard land be assessed on the basis of orchard land, rather than unused residential property, which would thus create an assessment basis equal to the present county assessment level.

Anyone with a quesion, anyone who wants to join forces with others in seeking self-government for Campbell, is urged to contact Harmon's office. The phone number is Campbell 3335.

Campbell's time is growing short. If we really want to write our own future, then here's the chance to get together, talk it out and decide on a plan of action.

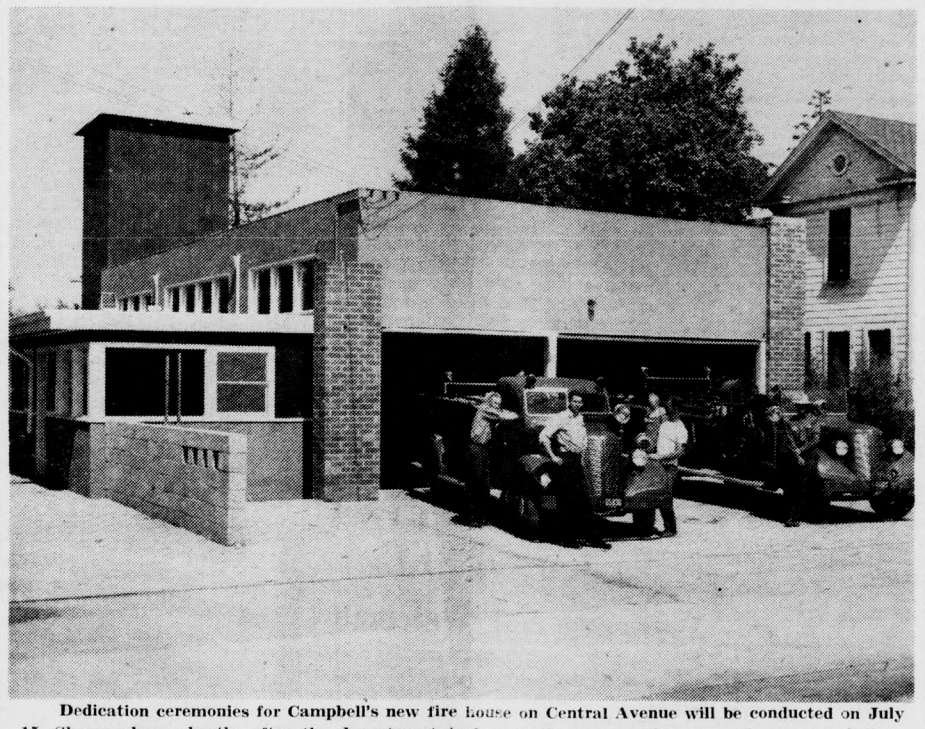

THE HOME FRONT BOGS DOWN

Campbell hit a new high yesterday—a new high in public apathy. This community, with a good percentage of its eligible young men in uniform, set a record at the blood bank collection in Campbell yesterday.

SEVENTY-FIVE PINTS WAS THE MINIMUM NEEDED. CAMPBELL GAVE THREE PINTS. Nineteen persons had pledged donations, many others had proclaimed their intentions to give. They must have been afraid of the needle.

No wonder men in Korea have been lining up at field hospitals volunteering their blood, the blood they will need when they are sent up to the front lines. No wonder the morale of the fighting men hits bottom when they read in the home town newspaper that their friends and neighbors went the other way on blood bank day. No wonder those men ask what they're fighting for.

Evidently their brothers, sisters, former schoolmates and business acquaintenances think the so-called "police action" is a pink tea. It's time the people at home realized the meaning of "home front." This is the extremely important rear guard, the force which gives vitally needed support to those up ahead dodging the bullets. The morale of the men up front gets its signal from the people at home. Stop grouching about high prices and be glad there's something here to buy. The men at the front are protecting your way of life. Give them a pint of blood. Don't wait—Give Today!

Dedication ceremonies for Campbell's new fire house on Central Avenue will be conducted on July 15. Shown above shortly after the department took over its new quarters a week ago are, left to right Eugene Scott, assistant chief; Jack Chappell on the No. 2 truck; Walter Silberbauer, lieutenant, and George Adamson on No. 1 truck. Campbell Volunteer Fire Department is currently undertaking a fund raising campaign here in hopes of completely furnishing the new building by the time it is dedicated next month. The volunteers serve without pay on a 24-hour, seven-day week basis. Donation tickets may be obtained at Star Family Shoe Store, Jones Service Station, Humphrey and Zimmer Shell Station or from any member of the fire department. Firemen are asking support of the community in their current fund drive. Donations may be sent to Campbell Fire Department, Campbell, California. Latest contributors to the firemen's fund are: Dr. J. Frederick Snyder, Jeffers Men and Boys Wear, Western Gravel Co. Jones Service, Floyd Halt, Pico Battery Co. of San Francisco, Blue Bell Cafe, Standard Oil Co., C. Kennedy and Carl Bohnett.

C.ofC. Board Appoints Committees; Discusses Proposal To Establish Office In S. First Street Building

Ted Solari was appointed to the board of directors of the Campbell Chamber of Commerce at the board meeting June 4 in the Campbell Press office. Solari will fill out the unexpired term of Joaquin J. Payne, new chamber president.

Secretary-manager Forrest Reese was re-appointed for another year.

Appointments of committee chairmen were made and approved as follows: G. E. Jeffers, membership; Laurance J. Hill, finance; Harold Estensen, merchant; Lester W. Harmon, civic affairs; Eugene W. Barnes, publicity; Robert Hicks planning; Oliver Jensen, public improvement; William C. Henley, safety; Fred Jones Sr., fire prevention; J. F. Levenberg, greeting; Richard Morton, civil defense; Homer H. Hyde, water conservation; Corwin Olds, national and state affairs; L. E. Means, recreation; Homer Hyde, Richard Morton and G. E. Jeffers, merchant patrol.

SEEK OFFICE BUILDING

Principal discussion topic at the session was the proposal that the chamber rent for its office the small store building at the rear of the Campbell library building, at 19 S. First Street. Country Woman's Club of Campbell owns the building.

President Payne appointed a committee to meet with the board of directors of the Country Woman's Club yesterday afternoon at 3 p.m. Chamber directors have visited the building and approved the plan. Committee members who conferred with the woman's club directors are Payne, Reese, Oliver Jensen, Tom Burnett, Jeffers, Harmon.

Mrs. Laurance J. Hill headed the Woman's club committee which agreed with chamber delegates on remodeling and leasing arrangements. Remodeling will begin immediately and is expected to be completed in about a month. Estimated value of the labor and materials will be applied against the leasing rate of $100 per year.

Donations of labor and materials have already been promised for the proposed remodeling. Those who have volunteered to assist are: Campbell Hardware, resurface and paint floors; Campbell Lumber Company, Orchard City Lumber Company and Allied Lumber Company, furnish materials and labor to finish the interior; Western Gravel, furnish concrete for walk and porch; Oliver Jensen, coordinate and supervise remodeling; Tom Burnett, rewire and furnish electrical fixtures. Carman's Nursery wil donate the shrubbery.

Board members voted to dispense with the regular chamber meetings for the months of June, July and August, and to resume the regular monthly meetings at a dinner gathering on Wednesday, September 19, at 6:30 p.m. in the Campbell Union High School cafeteria.

Strip Annexing Hit By School District Trustees

Strip annexation plans of the Santa Clara City trustees were attacked as undemocratic by the board of trustees of the Campbell Union School District. In a letter to the Santa Clara trustees, the school board asked "By what moral right can three members of your Board of Trustees determine the destiny of large groups of citizens by depriving them of the right to vote on their own future?"

School trustees entered a strong protest against "intended annexation of numerous streets and roads now a portion of this school district, namely: Stevens Creek Road, Santa Clara-Saratoga Road, Williams Road, Santa Clara-Los Gatos Road, Bascom Avenue, Laswell Avenue, Basile Avenue, Rutland Avenue, Bailey Avenue, Di Salvo Avenue, Marco Avenue, and all or any other streets or roads in part or whole lying within the Campbell Union School District.

"Encirclement of areas in this manner is certainly undemocratic and without regard for the money spent and the years of planning by school districts, sanitary, lighting and all of the various special districts that are legal bodies."

Urging that the Santa Clara city trustees "have due regard for the rights and interests of the others," the school board asked the city to "discontinue their actions to annex the several streets and roads for which preliminary action has already been taken."

The strip plan of annexation would encircle the new Cypress School site for Campbell Union School District, since it would include Stevens Creek, Santa Clara-Los Gatos, Williams and Santa Clara-Saratoga Roads, the school men pointed out. This encirclement casts much doubt on the future development of the Cypress School and jeopardizes the education opportunities of several hundred children in this area," they argued.

The letter, received by the city trustees at their meeting Monday night, was seconded by Campbell Union School District Superintendent William C. Henley who charged that delays which would be created by the annexations could very well tie up Campbell school expansion plans for years.

President Dorothy Ellis conducted the session during which the committee chairmen outlined plans for the work they exepect to accomplish during the year.

CAMPBELL HIGH SCHOOL STUDENTS GIVE ROTARY CLUB PROGRAM MONDAY

Students who have been guests at the Rotary Club of Campbell weekly meetings during the past year presented the program for the club meeting this week, with Al Smith serving as program chairman. Assisting him were Alex Stepovich, Jim Hearon, Bob Saia, Dave Baxter and Frank Weltz.

Weltz played accordion selections including "Beer Barrel Polka" for Tony Raffanti, and "Put Another Nickel In," for Joaquin Payne. He explained he didn't have the music for "I'll Be Glad When You're Dead You Rascal You," for Dave Rutherford, and played "Tennessee Waltz," instead.

Rutherford sang "Tennessee Waltz" at the opening of the program, accompanied by Virginia Rutherford.

The high school students explained that their program was a take-off on a typical meeting of the Rotary Club.

Special Tax Election On June 12; Voters To Consider Tax Increase To Provide Teacher Salary Raise

Campbell Union School District's school tax increase of 30 cents will come up for approval of voters of the district in a special election next Tuesday.

The proposed tax increase, recommended by trustees will, if passed, provide additional school income school income to be usedf or a raise in teachers salaries, and operational expenses of schools. Present tax ceiling for the district is 90 cents per $100 assessed valuation.

Polling places will be: Precinct No. 1—Campbell Grammar School; Precinct No. 2—Glaze Hardware, 536 Bascom Ave.; Precinct No. 3—San Tomas School; Precinct No. 4—Moorpark School. Polls will be open from 7 a.m. to 7 p.m.

Present salary scale of Campbell district elementary teachers, set in 1949, is $2700 to $3600. The Teachers' Association has, for the past several months, been urging an increase, pointing out that the scale is lower than surrounding districts, and has not been adjusted to the declining value of the dollar.

Bond money voted last December, and state allocations to Campbell cannot be used for salary adjustments or rising operational expenses. Such money is earmarked for sites and buildings.

VOTE "YES"

Next Tuesday on Campbell's SPECIAL TAX ELECTION

WHY

1. Average weekly take home pay for teachers of Campbell Union School District is $43.00.

No cost of living bonus has been given since 1949. The cost-price index indicates a raise of approximately 10 percent since then. The entire staff will benefit by an approximate 10 percent raise from this special tax.

How do Campbell salaries compare with surrounding areas?

Cambrian	$2800-$4100	San Jose	$3100-$5150
Moreland	$2800-3600	Santa Clara	$3000-$4500
Los Gatos	$2900-$3900	Saratoga	$2900-$4300
CAMPBELL	$2700-$3660		

2. Due to continually changing prices on all supplies used by the school, the dollar today buys much less than yesterday. In order to stock the schools adequately, more dollars must be spent.

Bond money can be used only for buildings and sites. In order to maintain standards, more money is needed than the present 90 cent tax rate can raise.

The GRAB BAG

By JIM McIVER

GRAB BAG NOTED IN WASHINGTON

Economic Stabilizer Eric Johnson must be taking a peek at our Grab Bag Column. Just yesterday he came out in the paper blasting the beef industry for profiteering—also predicted economic troubles ahead. That sounds something like we've been saying right along. Hope Mr. Johnson keep on reading our column. It's right flattering!

BEEF—19c A POUND!

Too bad that price is a year old. Yes, it was just last spring that you could get forequarters of beef at Western for only 19c a pound! Well, we still have that 19c beef, but it now costs 49c. That's what happens when we have a war and a bad case of scare buying. Anyhow, when you folks look around and compare a few prices, we think you'll agree it's a top notch value on today's market.

WHAT'S A DOLLAR?

Some folks say it's a piece of paper that used to be traded for a rather big chunk of beef back in 1939, but today only takes care of the down payment on the same amount. Guess that's close to being right, too. According to the Dept. of Commerce, our 1951 dollar is only worth 39c compared to the old 1939 model. But if you think that's bad, take a look at the 1926 dollar! Or maybe you'd rather not look.

CONFUSED, THEY SAY ...

Some of my friends seem to think I'm showing signs of confusion. That's kind of logical though, after trying to make sense out of regulations that sometimes put the wholesale price higher than the retail price. It's sort of like the old Chinese who was asked to give his religion—he replied, "Me Confusionist." We figure he's probably working for OPS now.

NEW GRAB BAG HOURS

Just so we can give you folks better service on Grab Bags, we're changing the hours to 4:30 - 6:00 p.m. as of right now. That means everything can be made up ready to go when you get here.

GETTING RESULTS

Just like we said last week, you people that lay the dollars on the counter can bring prices in line. And it seems like plenty of folks got the right idea, too. Judging from the big bargain sale war in New York, San Francisco — and right here in San Jose, customers are doing a little price controlling of their own.

We've even noticed a difference here, too. Meat is beginning to be a little easier to get, even though farmers are holding back on marketing their beef. So we want to say "thank you" to those people who helped soften up the market.

So, from now on we'll be having more bargains. Stop in at Western regularly and ask for me. I'll be right happy to take care of you personally.

Lots of people are asking about the "big surprise" we hinted at last week. Well, it won't be long now—sometime between June 12-16. Can't say what it is but you folks can have fun!

SOUTH POLE CHICKEN?

Some folks just never read the fine print—others don't even read the big type. Take for example the fellow that saw some packages of Penguin Frozen Foods here at Western. Looking at the picture of the penguin he commented, "Oh, so they're freezing them now, too."

I'm really pleased that so many customers at Western are coming over and calling me by name. That is the way we want our store to be—a friendly place to shop. Sorry I can't call all you people by name yet, but I'm working on it.

Say, have you tried this 69c Beef Round Steak) at Western? It's the Round Setak) at Western? It's the finest steer you can get and we think you'll like the meat as well as the price. Fix it up for barbecue steak, swiss steak or a boneless oven-ready roast. We've been able to get a small supply and thought you folks might like to know about it.

REAL PROTECTION

A while back a woman was standing in a crowded bus with a very small boy. The lady next to her asked if she wasn't afraid he might get crushed. "Not at all," she answered. "He bites!"

Pantomime Show By CUHS Students

A new departure in entertainment was offered last Friday at 7 o'clock at Campbell Union High School auditorium by the students. Thirty members of the student body presented an hour-long variety show featuring 22 acts, entirely in pantomine. Pat Taylor and Marlyne Devich, junior year students, arranged and directed this all-student show which included costume numbers, dances, skits and comedy, with background music from recordings.

Drama Teacher Kenneth Wallace was in charge of the show. Most of the talent was drawn from the talent pool at the school.

The pantomime show preceded the students' annual carnival which was from 8 to 12 p.m. in the gym. There was dancing to the school's "Rhythm Rock" band, and students operated a variety of booth concessions. The carnival was for students only.

Members of the 'Rhythm Rooks' are Dick Bradford, trumpet; Jim Shepardson and Bill Kaufmann, clarinets; Manuel Hernandez, trombone; Dennis Dunne, piano; Bob Stone, saxaphone, and Bill Pingree, drums.

Costumes for the "Lullaby of Broadway" pantomime show were prepared by Pat Powell, Barbara McBain, and Joy Verdoia. Gwen Robertson handled the makeup, and Norma Tallerico assisted Mr. Wallace with the lighting. Barbara Shockley readied the sets.

Members of the girls' chorus were Joyce Sartain, Marie Sisemore, Joanne Pratt, Marlene Moore, Rosemarie Magnasco, Sandra Kock, Celia Dushey, Jeannine Johnson, Betty Watson and Darlene Bohn.

Included in the show were such pantomime acts as Nick Tersigni in "Robert E. Lee" and "April Showers" with a chorus background; Diane Mayo was in 'Robert E. Lee" plus "Fine Brown Frame" and "Whistling Blues;" Rod Kolze and Charlotte Smith in "I Wanna Be Loved By You." The latter joined Pat Taylor in "How Could You Believe Me When You Know I've Been A Liar All My Life?" and "Where Did You Get That Girl?" Pat Taylor did a solo in "I Love You So Much," accompanied by a chorus of boys.

Marlyne Devich followed with "Honey Bun," "Thou Swell," and "It Takes Time." Frank Mantia and Jimmy Scotter presented their arrangement of "So-Long-Ooo-Long," "My Sunny Tennessee," after which Mantia soloed in "3 Little Words". Scotter's solo was "Jet."

Diane Mayo and Judy Snyder teamed in "How High The Moon," and a charleston number was presented by Diane Pardue, Janis Henley, Nancy Daniels, Nada Stepovich and Ruth Courtney to the tune of "Five Foot Two,"

Maude Crain, accompanied by the boys' chorus, danced to "September Song."

The entire cast put on the song and dance finale to "Lullaby of Broadway."

Four Elected To Student Council

Four Campbell High School students have been elected to the student council for the term beginning this September and ending next February. The council members are Tom Rhodes, Howard Kaeding, George Nelson and Elaine Smith.

Henry Ramp is student body president.

Christian Science Lesson - Sermon

"God the Only Cause and Creator". will be the subject of the Christian Science Lesson-Sermon for Sunday, June 10, to be comprised of citations from the Bible and Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy. The following citations are taken from the first section of the sermon:

Isaiah 45:11, 12: "Thus saith the Lord, the Holy One of Israel, and his Maker, Ask me of things to come concerning my sons, and concerning the work of my hands command ye me. I have made the earth, and created man upon it; I even my hands, have stretched out the heavens, and all their host have I commanded."

Science and Health: "There is but one creator and one creation. This creation consists of the unfolding of spiritual ideas and their identities, which are embraced in the infinite mind and Forever reflected. These ideas range from the infinitesimal to infinity, and the highest ideas are the sons and daughters of God" (p. 502).

Rotary Humbles Kiwanis, 15-3, In Annual Battle As 'Pappy' Baptist Hits 3 Homers

Exhibiting awesome batting power that completely overwhelmed Pitcher Dave Sanders, the Rotary Rumplestiltskins annihilated the Kiwanis Kuickies, 15-3, Wednesday night on the local diamond in the annual softball battle between the two service organizations.

The winning chucker, Cel Gerevas, could have pitched left-handed and still won with all that hitting prowess behind him. As it was, the lanky moundsman tossed a neat seven hitter at the Kuickies. He blanked them after the second frame when the victimes tallies their final marker.

Batting heroes were a dime dozen for the triumphants. Leading the hit parade was Leonard Baptist who banged out three successive home runs, good for five runs batted in. And in true Casey style, he whipped the breeze the fourth time, striking out on a shoulder high fast ball.

Teammate Fred (Gazelle) Jones gave a commendable account of himself at the plate with three ringing doubles that knocked in four tallies. In keeping with his well-earned nickname, the speedy left fielder was the game's outstanding defensive star. He robbed Clarence Nelson of a sure extra-base blow by going deep to his right to haul down a line drive.

Homer (Flash) Hyde joined the three-hits-apiece club by collecting three straight singles after flying out to short center.

Not satisfied with his pitching chores, Gerevas blasted a bases-loaded homer in the fifth innning The ball rolled miles over left fielder James Arends' head but the the puffing Gerevas barely made it home ahead of the relay from the outfield.

A cloud of gloom spread over the scene as Hans Hansell, Rotary center fielder, injured his ankle while sliding into second in the fifth frame. It appeared that the hustling gardener injured his left ankle. Further investigation proved the ankle broken—it is now in a cast and Hansell is at home recovering.

All the batting aces were not confined to one team, however. Carl Field, Kiwanis' sturdy shortstop, had a perfect night at the plate, banging out three of his team's seven hits.

Rotary started the run barrage in the opening stanza, tallying three times on two hits. Not to be outdone at this stage of the contest, the Kuickies struck for a pair of markers as Sliver Arends drove in Field and Milt (Blackie) Nelson.

The second canto found the Kiwanis ten tying up the game at 3-all as Bud (Straddles) Levenberg sent "Slim" Sanders across with a single to left.

Hyde started the four-run third inning with his second single. Tony (Limpy) Raffanti walked and both scored on the Gazelles's two-bagger to left center. He in turn tallied on Pappy's second four-ply job.

After adding a solo in the fourth, the hit-happy horde climaxed the evening of fun, frolic, and festivities (for them anyway) by pushing home seven big runs. Gerevas' blow that cleared the sacks was the most damaging blow.

Umpires Ray Jacobus and Bud Lord called the game after the fifth inning because of a time limit.

To all intents and purposes, everyone was glad, even the gloating Rotarians. Not only have they established themselves as the softball champs guests of the losing Kuickies at a "costly" dinner—loser pays all.

Notice is hereby specifically given that a question of law is now pending involving the determination of the exact boundaries of Campbell Union School District, including the question of whether or not a portion of Campbell Union School District as the same existed January 1, 1950, has been included within the City of San Jose by election held on February 23, 1950, and therefore by the same proceedings excluded from Campbell Union School District. That certain area within the boundaries of Campbell Union School District commonly known as Bradley Manor No. 3, more particularly described in the Certificate of Annexation filed by the City of San Jose in the office of the Secretary of State on April 6, 1950, and as described in that certain Affidavit of Completion of Annexation by the City Clerk of the City of San Jose and filed for record in the office of the County Recorder of the County of Santa Clara on the 11th day of April, 1950, bearing Recorder's serial number 631340, was annexed to the City of San Jose in and by said proceedings which are hereby referred to and by reference incorporated herein and made a part hereof.

The said area described in said annexation proceedings is all included within Election Precinct No. 4, hereinabove referred to and constitutes a separate election precinct for the purpose of the Special Tax Increase Election hereby called.

If it be finally determined in the proceedings now pending in the Superior Court of the County of Santa Clara, entitled, "Chadwick M. Morin and Frances M. Morin, Plaintiffs, v. City Council of the City of San Jose, et al., Respondents, Philip L. Olson, and Dorothy L. Olson, Intervenors," No. 76097, which proceedings are hereby referred to and by reference incorporated herein and made a part of this Notice of Election, that said area was not legally annexed to the City of San Jose and said area does not constitute a part of the San Jose Unified School District, the votes cast within said Election Precinct No. 4 shall be counted as legal votes for or against the authorization to increase the tax rate, as the case may be, and thereafter, for the purposes specified in said Special Tax Increase Election if authorized at said election, said increase in the tax rate may be levied upon the taxable property in said area with like force and effect as though the same were a part of the Campbell Union School District.

If it be finally determined in the proceedings hereinabove particularly described that said area was legally annexed to the City of San Jose and said area does constitute a part of the San Jose Unified School District, the votes cast within said area at said Special Tax Increase Election shall be disregarded and none of the property within said area shall be taxed for the purposes for which said Special Tax Increase Election is called.

The said election is to be held in accordance with the provisions of the Education Code of the State of California, governing said elections.

The governing board of the school district shall meet on the seventh day after the election at its usual meeting place at 8:00 o'clock P. M. and publicly canvass the returns.

IN WITNESS WHEREOF, we have hereunto set our hands this 10th day of May, 1951.

LETTER TO THE EDITOR

Dear Sir,

As members of the Citizens Committee working for the passage of school tax next Tuesday we wish to report the reaction of voters we have contacted in our campaign.

On the whole we have found little opposition to the issue. Most people feel the measure is good, worthy of support. Parent-Teacher Associations in the district have endorsed it. Many citizens, well known in the community have said their names could be used as endorsers. A few from the list are Charles Glaze, Harry C. Lawther M.D., Bruce F. Allen, attorney; from the Moorpark area. James Barnett, attorney from San Tomas gave approval of his name for use in the campaign.

J. Frederick Snyder of Campbell says, "It has been repeatedly demonstrated that no community can thrive, and prosper in the absence of a competent and adequate school system. For us this means that unless we enable our teachers to maintain a desirable standard of living in these times of increasing costs, we will lose the excellent teachers we have so long enjoyed, and our community will suffer.

I urge all responsible Campbell people to give their wholehearted support to the cause of the teaching profession."

Mr. G. E. Farley says, "To keep good teachers, we have to provide for them. From Mr. J. M. Dahl came this statement:"We definitely need higher wages for instructors. If it requires more taxes to do that, we should vote for them."

The measure also received support from Reverend Coriwin Olds.

We feel that this small sampling of opinion gives an indication of the general feeling of the communities, and we hope that the many voters who feel the same way will be out to vote for the measure next Tuesday.

Co-chairmen of Citizen's Committee:
Mrs. Eugen Andres,
Mrs. Edwin Horsley,
Mrs. Phil Lucas.

Everyone in the family "dates up" our new electric roaster!

Son bids for the electric roaster when he does KP for the gang. Somehow beans, chili, stew, soup, almost everything tastes better cooked in the even, all-round, controlled heat of an electric roaster. Also, the removable, easy-to-wash porcelain enameled cooking well is a cinch for the clean-up squad!

Dad reserves the electric roaster on week ends, cooks the world's best barbecued spareribs, spaghetti, game in season, and other he-man specialties. New-type thicker insulation in modern models has reduced heat loss to an all-time low. An electric roaster plugs into any 115-volt, A.C. outlet . . . ideal for beach house, cabin, patio.

Mom's dates are baking day, holidays, any day when she-needs "an extra stove." Or when, on the contrary, she wants to cook a whole meal at one time in a quick and easy way. Thermostat control maintains exact temperature desired, and if model has automatic clock control the roaster turns itself "on" and "off" at pre-set times, gives homemaker hours of welcome freedom.

Newly-married daughter dates up the electric roaster for social events like club get-togethers, buffet parties, picnics. It's easy to carry, keeps food warm for hours. With P. G. and E. rates lower today than in 1940, an electric roaster is a real joy . . . costs only 1¢ or 2¢ per meal to operate. There's a model for every family, every budget. See your dealer's selection today!
